Eddie,

Hey what's happening how's life?
Hope you have a cool year. I also
hope we can become better friends
than we are now.

So how was your summer did you
party or go to any concerts.

So who do you like now.

You look so pretty this year it
makes me sick all the guys
will go for you now.

Well did you do all your homework
don't forget that Religion now or
Mr Andorfer will give you detention.
Oh no he will probably make
you stay for tap. also.

Sorry about me not writting back
for a while but my love life
is a bummer. Oh well call
me some time maybe we
can do something together.

Well got to go see ya
in English 4th period.

*A family is a PLACE to cry, and laugh, and vent frustrations,
To ask for help and tease and yell. To be touched and hugged
and smiled at.*

*A family is PEOPLE who care when you are sad, who love you no
matter what, who share your triumphs, who don't expect you
to be perfect, just growing with honesty in your own direction.*

*A family is A CIRCLE where we learn to like ourselves,
where we learn to make good decisions, where we learn
to think before we do, where we learn integrity and
respect for other people, where we are special,
Where we share ideas, where we listen and are listened
to, where we learn the rules of life to prepare ourselves
for the world.*

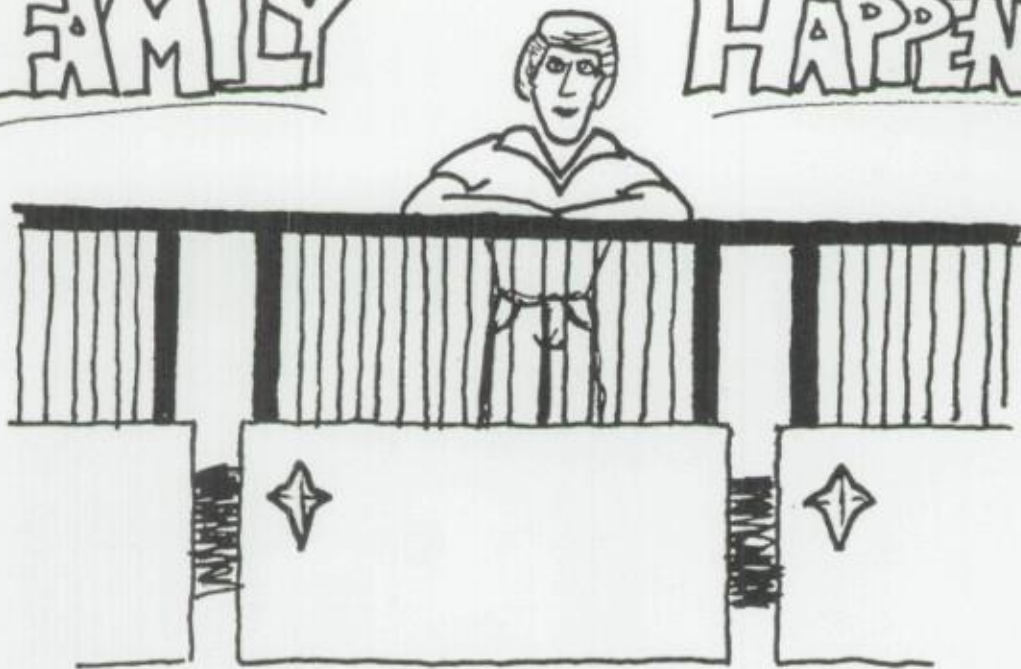

*The world is a PLACE where anything can happen.
If we grow up in a loving family
We are ready for the world.*

My dear Students:

Family Life, the theme you have chosen for the Year Book, is a very important one.

The family plays an irreplaceable role in our society and Church. It is the center of love and life. In fact, as the development of family life goes, so goes our society. As our Holy Father, Pope John Paul II has said: "Today's homes determine tomorrow's society."

It is in the family where you first experience love and where you learn how to share and to be kind, patient and forgiving.

From our family experience we learn also that God is the Father of the entire human family and we become more aware of our other brothers and sisters.

Preserve and safeguard your family values.

May the Holy Family, Jesus, Mary and Joseph guide and protect you.

May God bless you and give you His peace.

Faithfully yours in Christ,

Thomas J. O'Brien

Most Reverend Thomas J. O'Brien
Bishop of Phoenix

Tell 'em Dr. Brandt

Peek-A-Boo

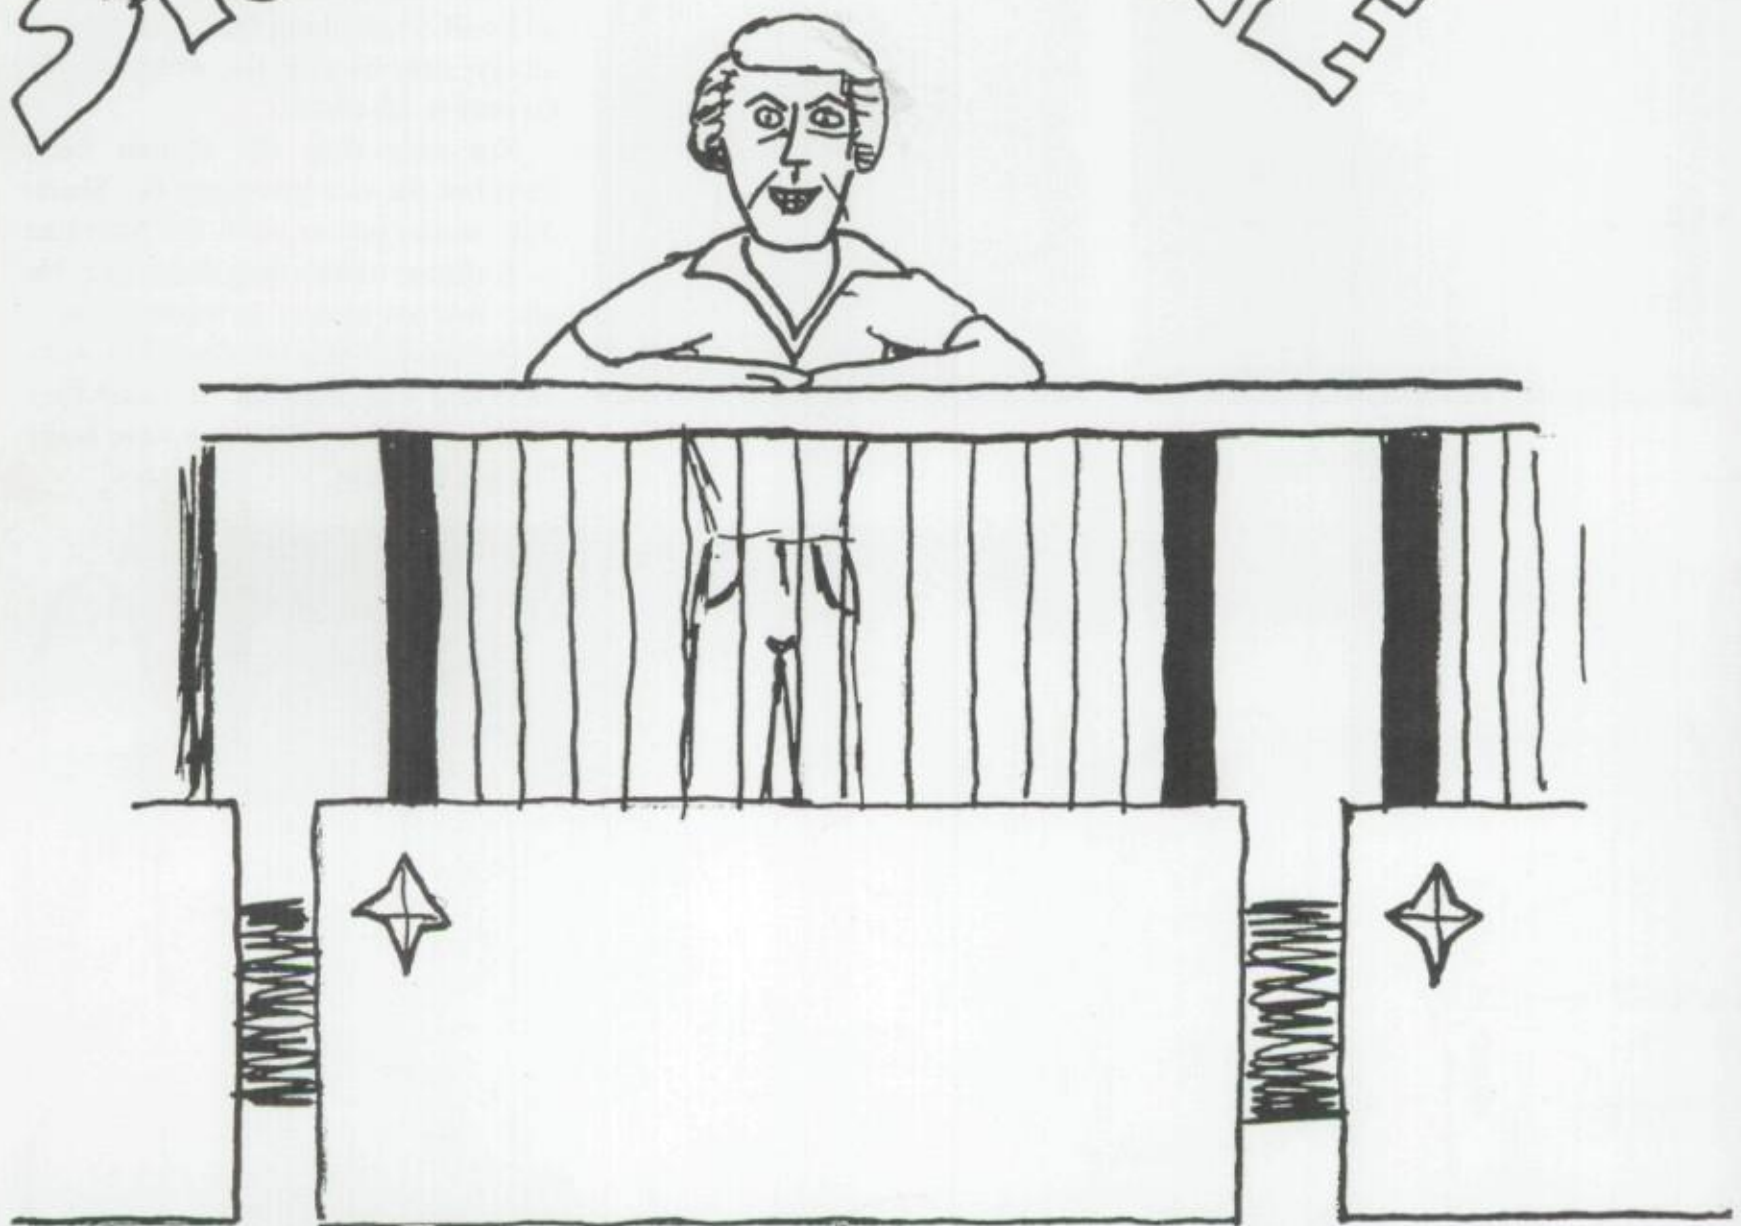

Dr. Brandt is very dedicated to Gerard Catholic High School. He would stay at Gerard till all hours of the night, to help make Gerard number one. He wants the best for Gerard and will do anything for it. Dr. Brandt always calls us a family, which is what Gerard is all about.

Not only does Dr. Brandt work hard but the vice principal, Dr. Sheridan, works just as hard. Dr. Sheridan is in charge of handling discipline. He also teaches history to sophomores.

Dr. Brandt and Dr. Sheridan work hard and well together. Because they work so well together they have made Gerard the best.

Homecoming Spirit Shines

Freshman-Junior Float

This is Our Float

A lot of hard work goes into a float

The winning float — Sophomores-Seniors

This years homecoming was a very exciting one. Everyone was in the spirit and wanted to show that Gerard is number one.

As a tradition, the seniors and sophomores worked hard in building a float, with the juniors and freshman doing the same.

To top off the spirit that came along with homecoming, there was class competition. Each class was given the chance to show their spirit. The class that won this year, were the seniors. Not only did they win the most spirited class but the senior-sophomore float won.

Girls do it Right!

Strategy in Action

Let's do it!

This year's Powder Puff teams worked very hard in preparation for the big game. Each day after school all girls would go out and practice under the guidance of their coaches (the football players) for at least two hours a shot.

The game took place on the last day of school before Thanksgiving break. The day started with a liturgy and then the students attended classes for a short three and a half hours!

Last year's game was won by the classes of 1985 and 1983 so it seemed only fitting that the game this year should be won by the classes of 1984 and 1986!

The only touchdown scored by the teams was scored on a run by Marta Ortiz. Good going girls!

The coaches confer

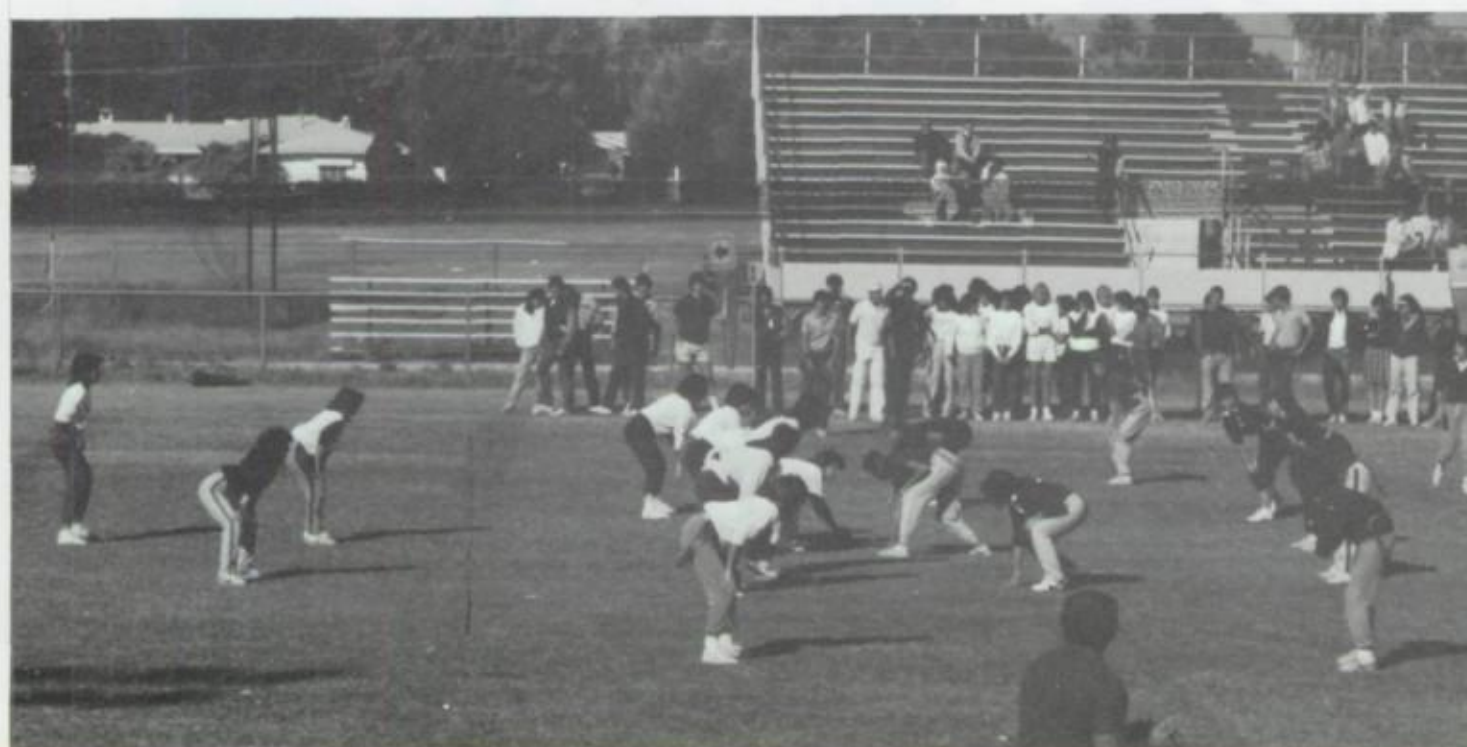

We've got 'em on the run!

Now what do we do?

Smile, Nat!

A Night for Sweethearts

Coronation is a yearly tradition at Gerard where two Juniors are selected by their classmates to be the Coronation King and Queen. This year we had ties in the nominations and ended up with seven couples instead of the traditional six. It was a hard decision to pick two out of all of them. The dance was held at Thomas More Hall. The seniors put on the event, decorations and all. The high point came when the 1984 King and Queen were announced. Kari Boyle and Tim Carlson made an attractive couple as they accepted their crowns and shared the coronation dance.

Planning For The Future

College Days was separated into two separate days in which one day the students met and talked with colleges from all around the country and most of the colleges within the state. The second day was devoted to private colleges and Christian colleges.

These special days offer the students to plan for their future years. They can ask questions of the administrators and find out just what they need to know to find the college that's right for them.

Choosing a college to attend is a exciting and frightening experience. The days helped the students to get a head start on their future and to do so with confidence.

Hey! They don't lie!
